

Parent Volunteer Hours

Every hour volunteered counts as \$10 off a trip or event. However, we ask that you take scholarships based on need and take no more than half the cost of trip/event off. If your circumstances exceed this general rule, please do not hesitate to personally reach out to us. The hours listed are the max you can earn for an event, but you may have worked less than the full time. Please only fill out with the amount of hours you want to count toward your scholarship, you may save excess hours for future trips.

Dates	Volunteered Events	# Hours
