Why? Because camp doesn't have to end after junior high! You still need a break from your everyday life with time to visit with friends, worship God and learn about your faith!

Cost: The cost is \$340.00.

Scholarships Available:

The JYM will pay up to half of your payment if you have been volunteering this year and record your hours on our tracking sheet. If you would like to register your teen now and want a scholarship, please fill out the *paper form* on the RCP website or available at youth group and send in \$160.00 to hold your teen's spot. Please make a copy of the registration form, give it to Lisa or CJ, and the JYM will pay the second half! If you *don't* need a scholarship you can register online and pay the full price. CJ and Lisa will not be at this camp but we will be praying for you and supporting you from home. There will be tons of competent counselors there from whom you can learn a lot.
